

My Needlework Necessities Companion Piece to Grandma's Button Box

My Needlework Necessities, a companion piece to Grandma's Button Box, is only available for purchase to those who take the Grandma's Button Box class. Pictured above are the outside and inside of the piece.

The kit includes complete instructions, buttons, felt, linen, lining fabric (there will be a selection to choose from), ribbons, batting, and even a linen tester and tape measure to go in the pockets. The Sulky 12 wt. cotton petites floss is not included, but you will have plenty of floss leftover from the Grandma's Button Box class kit to complete the companion piece. The kit uses some of the stitches used in Grandma's Button Box.

The cost of "My Needlework Necessities" is \$55. Please pre-order the kit in advance by contacting Dawn Fisher directly (Dawn@MorningGloryNeedleworks.com) and she will bring it to the retreat for you. Dawn will also bring a few extra kits with her to the retreat.
