

# Spool of Stitches

## Two Day Class

This is a unique sampler with a different stitch for each letter of the alphabet starting with Algerian Eyelet and ending with Zigzag Stitch!

From A-Z the stitches taught are: Algerian Eyelet, Bound Cross, Captive Rice, Double Leviathan, Eyelet, Foliage, Greek Variation, Half Rhodes, Italian 2-sided, Jerusalem Cross, Kalem, Longarm Smyrna, Mosaic, Narrow Tied Cross, Oblong Rice, Padded Rice, Quilted, Ribbon Cross, Straight Cashmere, Trellis Cross, Upright Cross, Van Dyke, Witch, X-stitch, Yugoslav, and Zigzag Stitch. The alphabet is stitched using 4 different stitches – Rice, Algerian Eyelet, Mosaic, and Smyrna.

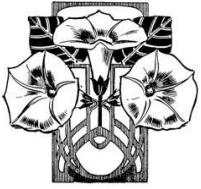

This fun sampler is like an appetizer plate - it will give the stitcher a small “taste” of each stitch without being overwhelmed. As a bonus, this is a quick stitch, and some students may finish during the two-day class!

The Spool of Stitches sampler was stitched on 27 count Antique White/Green Country Aire linen banding using six shades of 12 wt. Sulky Cotton Petites. The size of the finished piece is approximately 2” wide by 23” long. The stitchers will have a choice of colorways – 712-07 Most Popular Color Collection, 712-12 Favorites Sampler Collection, 712-171 Hawaiian Tropics, or 712-172 Garden Party. See next page for colorways.

Kit includes linen banding, 6 full spools of 12 wt. Sulky Cotton Petites, handmade wooden spool, needles, and detailed instructions. Students should bring the usual stitching supplies such as scissors, extra magnification, and lighting, if needed.
